PETITIONING THE COURT

To issue a summons.

On April 7, 2025, a probation officer met with Mr. Lister and reviewed the conditions of supervision as outlined in the judgment. Mr. Lister indicated he understood the conditions of supervision, signed the judgment, and was provided with a copy of the document.

The probation officer believes that the offender has violated the following conditions of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

1	<b><u>Special Condition #4:</u></b> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.
---	--

**Supporting Evidence:** Mr. Lister is considered to be in violation of his supervised release by consuming methamphetamine and fentanyl on June 22, 2025.

On June 23, 2025, Mr. Lister reported to the probation office and provided a presumptive positive drug test for the presence of methamphetamine and fentanyl. After he was confronted with the positive test results, he admitted to consuming methamphetamine and fentanyl on June 22, 2025. Mr. Lister signed a drug use admission form.
